Subject: Recognition of Service to Calabash Summer Concert Series

Dear Mr. Kinlaw,

On behalf of the Town of Calabash Community Services Committee, please accept our appreciation of the time and support you provided by serving as EMCEE of the 2016 Summer Concert series. Volunteers like you contributed to the organization and unprecedented success of the Calabash concerts this past summer season.

Your professional skill in announcing the concert activities and making introductions of the participating bands generated the enthusiasm of the crowds at the concerts. We applaud your dedication in volunteering your time, many times in excess of thirty hours per week, for the ten weeks of the concert series to support the preparations for each of the events and also providing an entertaining atmosphere for the enjoyment of those attending.

We thank you for your involvement in the Calabash Concert Series and certainly look forward to your continued involvement in our community events in the upcoming year.

Best regards,

Sue Stuhr
Town Clerk
